**Re: WT Docket No. 03-103**  
**Notice of *Ex Parte* Presentations**

Dear Ms. Dortch:

This is to inform you that representatives of AirCell, Inc. ("AirCell") participated in *ex parte* meetings on November 19, 2004 to discuss issues in the above-referenced air-to-ground ("ATG") proceeding. Specifically, Jack Blumenstein, Chairman and CEO, Bill Gordon, VP for Government Affairs, and I, counsel to AirCell, participated in two meetings with: (1) Commissioner Kathleen Abernathy and her senior counsel Jennifer Manner; and (2) Commissioner Kevin Martin and his legal advisor Sam Feder.

During the two meetings, AirCell reviewed the attached presentation, focusing on the importance of providing for competition in the ATG band and the resulting benefits to passengers. AirCell also expressed concern that the possibility of providing ancillary terrestrial services in the ATG band could influence auction bidding strategies.

Pursuant to Section 1.1206(b)(1) of the Commission's rules, I am filing this notice electronically in the above-referenced docket. In addition, I am sending one copy of this notice to each of the FCC representatives listed below. Please contact me directly with any additional questions.

Respectfully submitted,

/s/ Michele C. Farquhar
